

2025 6th International Conference on NATURAL LANGUAGE PROCESSING AND ARTIFICIAL INTELLIGENCE

NLPAI 2025

Chongqing, China
June 13-16, 2025

www.nlpai.org

Conference Introduction

2025 6th International Conference on Natural Language Processing and Artificial Intelligence (NLPAI 2025)! NLPAI 2025 will be held in Chongqing, China during June 13-16, 2025. NLPAI 2025 aims to provide a forum for researchers, practitioners, and professionals from the industry, academia and government to discourse on research and development, professionals practice in the field of Natural Language Processing and Artificial Intelligence.

Publication

All accepted papers will be published in the Conference Proceedings. It is required that all the papers should be properly presented in the conference.

Committee

Honorary Chair

- Prof. Wushouer Silamu, Xinjiang University, China
- Prof. Qinghua Zhang, Chongqing University of Posts and Telecommunications, China

General Chairs

- Prof. Kurban Ubul, Xinjiang University, China
- Prof. Qijun Zhao, Sichuan University, China

Program Chair

- Prof. Kuo Chen, Chongqing University of Posts and Telecommunications, China

Program Co-Chairs

- Prof. Dingguo Gao, Tibet University, China
- Prof. Bin Liu, Beijing Institute of Technology, China
- Assoc. Prof. Kazuyuki Matsumoto, Tokushima University, Japan

Publication Chair

- Prof. Maoshen Jia, Beijing University of Technology, China
- Prof. Xiwen Zhang, Beijing Language and Culture University, China

Publicity Chair

- Prof. Yongpan Sheng, Southwest University, China

International Steering Committee

- Prof. Xiao-Zhi Gao, University of Eastern Finland, Finland
- Prof. Grigorios Beligiannis, University of Patras, Greece

Finance Chair

- Dr. Zhi Zheng, Sichuan University, China

Keynote Speakers

Prof. Yue Zhang
Westlake University, China

Prof. Yuji Matsumoto
RIKEN Center for Advanced Intelligence Project, Japan

Important dates

Submission deadline 05/15/2025

Acceptance notification 05/30/2025

Camera-ready paper 06/04/2025

Registration and payment 06/04/2025

Topics

The conference topics include but are not limited to

Natural Language Processing

Phonology
Morphology
Lexical Semantics
Discourse
Text Mining
Paraphrasing
Entailment
Generation
Chunking
Shallow Parsing
Ontology

Artificial Intelligence

- Agent-Based Systems
- Ant Colony Optimization
- Approximate Reasoning
- Artificial Immune Systems
- Artificial Intelligence in Modelling and Simulation
- Artificial Intelligence in Scheduling and Optimization
- Artificial Life
- Brain-Machine Interfaces
- Cognitive Systems and Applications

More topics please visit: <http://nlpai.org/cfp.html>

Call for invited speakers

The organizing committee cordially invites experts and young scholars in natural language processing and artificial intelligence and other related research fields to attend the conference and deliver invited talks.

If you are interested, please submit a CV to the email address: nlpai@cbees.net for further review.

Submission Methods

1. Scan the following QR-code to submit your paper:
 2. Or you can submit your paper through email: nlpai@cbees.net
- For those who do not want to publish a paper, an abstract can be submitted for reviewing of presentation or you can join us as a listener: <https://confsys.iconf.org/register/nlpai2025>
